This map illustrates the Center City Concourse area, showing the intersection of various transit lines and streets. The map includes a grid of streets from 18th St to 8th St and Arch St to Spruce St. Key transit features include the Market-Frankford Line (L), Broad Street Line (B), Subway-Surface Trolleys (T), Regional Rail, and the PATCO Line. Major stations shown are Suburban Station, Jefferson Station, 15th St/City Hall, and 8th-Market. The map also indicates fare gates, accessible travel centers, and SEPTA sales/customer service locations. A detailed inset for 15th St/City Hall is provided.

This detailed inset map shows the 15th St/City Hall station area. It highlights the intersection of the Market-Frankford Line (L), Broad Street Line (B), and Subway-Surface Trolleys (T). The map shows the layout of the station, including the City Hall Courtyard, and provides information on exits, fare gates, and accessible travel centers. It also indicates the location of the SEPTA Customer Service center.
